Basic Information

What is the primary divisional affiliation of this course?

Course Title

Transcript Title (limit 30 characters)

Three-digit course number

Is this an honors course?

Is this an individual instruction course such as directed study, independent study, research or thesis (i.e., a course with no group instruction)?

Will this course be crosslisted?

Note the crosslisted subjects

Is this a topics course?

Can students enroll in this course more than once for credit?

If yes, please justify

Typically Offered
Catalog Information

Minimum credits

Maximum credits

Grading System

Course Description (will be published in Course Guide)

Does the course have prerequisites or other requirements?

List the prerequisites and other requirements for the course

Indicate the component(s) that comprise the course. Check all that apply

Administrative Information

Chief Academic Officer

Desigenee of chief academic officer for approval authority

If there are additional contacts, please list

Will any courses be discontinued as a result of this proposal?

List course number(s) and complete a course discontinuation proposal for each course

Beginning Term
Academic/Program Information

Is this course intended for a new academic program for which UAPC approval has not yet been finalized?

Which program?

Explain the relationship and importance of the proposed course to existing programs or future programs. (A program is a certificate, major or degree.)

Are any of these programs outside your academic unit?

Indicate the subjects that are most closely aligned with the other academic units. The proposal will be sent to the academic units that support those subjects for review.

Specify which requirement(s) this course meets, if any (e.g. satisfies third-level language, meets the major's capstone requirement, fulfills PhD minor requirement).

Do any of these requirements affect programs (degrees, majors, certificates) outside your academic unit?

Indicate the subjects that are most closely aligned with the other academic units. The proposal will be sent to the academic units that support those subjects for review.

Course Content

Describe the course content

Address the relationship of this course to other UW-Madison courses, including possible duplication of content

Is there a relationship to courses outside your subject?

Indicate the outside affected subject(s). The proposal will be sent to those subjects for review.

List the instructor name and title (list multiple if applicable)

If the instructor is not a tenured or tenure-track faculty member at UW-Madison, please explain the instructor's qualifications here. Then, go to the "Justifications" tab and upload the instructor's c.v. in the "Additional Attachments" section.

Attach a syllabus. See "help" for an explanation of what must be included in the syllabus.
Justifications

Explain how this course contributes to strengthening your curriculum

Provide an estimate of the expected enrollment

Justify the number of credits, following the federal definition of a credit hour (see help). Include the number of contact hours or, if contact hours are not an accurate measure of credit, provide an explanation of how credits are measured.

If this is a variable credit course, provide rationale

Additional comments (optional)

Additional attachments (optional) (please read "help" before uploading an attachment)

L&S Designations

Should the course be reviewed for L&S liberal arts and science (LAS) credit?

What is the rationale for seeking LAS credit?

Level of the course, for L&S attributes (value required for all L&S courses and courses requesting LAS credit)

Should the course be reviewed for L&S breadth requirements?

Indicate which:

General Education Designations

Should the course be reviewed for the general education requirement?

Which requirements?
