    ▪ Several new searches including Associate Dean of Administration were conducted, new director of Morgridge Institute was named: Brad Schwartz
    ▪ Dean Cadwallader distributed a Grad School Org Chart and described structure and roles. “We are now at an all-time high for U.S. graduate students of color on campus with 10% enrolled according to data digest,” Dean Cadwallader.
  o Committee outreach & visitors
    ▪ Don Nelson – State Relations - Don works in the office of the Vice Chancellor of University Communications, and has been working in State Relations for 8 years. He has experience as a staffer with the Legislature and in the military. The goal of his work is form relationships with the Legislature, Governor, and state agencies and build greater awareness of UW-Madison programs and products. Specifically, for our research mission, measure and report research impacts on Wisconsin’s economy and well-being. He produced a map of how much research money is being spent in legislative districts across Wisconsin.
    ▪ Steve Lund/ Harry Webne-Behrman visit – Steve is the director of UW-Madison’s Academic Personnel Office and member of the HR Design Project Team.
- Heather Daniels visit, Chancellor search committee member – Updated CASI on Chancellor search and criteria.

- Alissa Ewer visited to discuss Knowledge Base overview and ease of GS-CASI web page updates, all agendas and minutes should now be current. Website going live in October.

  o HR Design
    - GS-CASI HR communication recommendation letter – (Schmidt)
    - Wayne and Nicci attended meeting with ASEC and Steve Lund. Those present seemed to echo their comments. Our recommendations were reflected in a letter submitted from the Dean’s office. Pay and benefits not activated on the July 1st date. Compensation study will be done in the future.
    - Implementation deferred for two years. In the meantime, campus leaders will fine and improve the proposal and move forward with elements that do not require legislative approval concerning recruitment and governance for classified employees.
    - State budget included 1% pay increase and increases to employee reimbursements for travel expenses.
    - UWBC and Tom Zinnen hosted an HR Design Brown Bag for Academic Staff, Nov 2012 with Guest speaker Steve Lund.

  o Profession Development Grants
    - Professional development grants were reviewed in the fall and spring. Committee developed a form to facilitate review process and align with ASA review process. The form was tested in the spring and worked well. The subcommittee agreed: The form facilitated consistent review of criteria, added objectivity to rankings, and should better accommodate increased volume of proposals. There was a concern that this form and its use could be subject to open records requests and review. Bruce Neumann consulted with Ben Griffiths, Sr. University legal counsel for central admin., whose opinion was that the new form would be considered a personnel record and thus it would be an exception to open records requirements. Two academic staff development grants were awarded to Grad School employees.

  o CASI/ASEC brown bag
    - Critical compensation fund (CCF) feedback discussed
    - Discussed public and employee confusion regarding state vs private sector employees
    - Impacts of sequestration and CASI’s relationships to Deans

This reimbursement is for violation of the terms of an MOU and regarding athletics parking revenue diverted for two years, July 1, 2011 through June 30, 2013.
