Training Completion
Posted Sep 1, 2016 8:29 AM
Learn@UW does not send certificates of completion when you have passed the course. However, there are a few ways to determine whether you have completed COI Training.

- If you have received a score of 70% or greater, you have completed the COI Training course.
- You will be unable to retake the quiz once you have obtained a passing grade.
- Lastly, you can see whether your quiz score has registered by visiting this website the day after you take the quiz: https://my.gradsch.wisc.edu/coi-rsp/trainingStatus.pl

Please note that the website updates daily at approximately 10:30AM.

New COI Training Cycle
Posted Aug 15, 2016 1:41 PM
Federal regulations and UW-Madison policy mandate COI training be completed every four years. It has now been four years since UW-Madison’s COI training began in 2012, meaning a new cycle has begun for many of our investigators.
