Membership & Chair Selection
Laura Ingram, our 2012-2013 administrative ex officio member, initiated a call for members in August 2012. Membership was accomplished through volunteers – no election was needed.

The committee for 2012-2013 included the following members:

- Laura Ingram- ex officio member
- Steven Boldt, (term expires August 2014)
- Flo Hilliard (term expires August 2014)
- Erin McCloskey, (term expires August 2013)
- Megan Reading, (term expires August 2013)
- Laurie Scheer, (term expires August 2013)
- Jane Terpstra, (term expires August 2013)
- Bill Tishler, (term expires August 2014)
- Suzanna Waters-Castillo, (term expires August 2013)

Flo Hilliard and Erin McCloskey resigned in March due to other work commitments. Flo took on a new grant and Erin’s department was short-staffed. As a result they were unable to devote time to CASI meetings and projects.

The following member's terms expire in August:

- Megan Reading
- Laurie Scheer
- Jane Terpstra, retiring June 2013
- Suzanna Waters-Castillo

Megan Reading was appointed as Chair for 2012-2013. Monthly meetings were held from September 2012 through June 2013 except for December 2012 and May 2013 due to scheduling conflicts with committee members.
Activities
The group considered projects postponed from the previous year and brainstormed new projects for 2012-2013. Three priorities were identified:

1. Continue the 'Conversation with the Dean' brown bag sessions.
2. Celebrate academic staff achievements through campus award nominations.
3. Develop a DCS CASI website.
4. Develop the DCS CASI By Laws.

Projects that were tabled for 2012-2013 were as follows:

1. Provide academic staff with technical training in newer software tools.
2. Promote professional development opportunities.

Accomplishments

1. Conversation with the Dean
   - We sponsored a Deans’ Panel with the Associate Deans as an opportunity for them to provide updates on the projects they are involved with, November 20, 2012.
   - We sponsored a ‘Conversation with Dean’ brown bag session on the Goals for Continuing Studies, February 26, 2013.

   We provided the Dean with a list of topics that we felt people were interested in hearing about. Time was provided for questions from staff (see Appendix A for session topics and questions).

2. 2013 Academic Staff Excellence Awards
   - For the first time DCS CASI supported the nomination of two individuals for Academic Staff Awards. The Robert Heideman Award for Excellence in Public Service and Outreach and the Wisconsin Alumni Association Award for Excellence in Leadership. We were pleased that Ann Whitaker received the Wisconsin Alumni Association Award this year.

3. CASI Website
   - We have been working with our Marketing department on the design of our CASI website. In the meantime we will be using the internal DCS blog to communicate with Academic staff until our website can be completed.
   - We discussed what documents we want made available to those outside of DCS.
   - It was agreed that meeting agendas, minutes, reports and announcements will be posted on the website.
4. **DCS By Laws**
   - We reviewed by laws from other CASI groups and used them to develop our own by laws (see Appendix B for By Laws).

**Recommendations for 2013/2014**

1. Continue to offer Conversation with the Dean brown bag sessions
2. Completion of the CASI website
3. Resources for new hires
