Motion was made by Jim Rogers (499) and seconded: to accept ASPP revision of new standing committee—the Mentoring Committee—of the Assembly added to Chapter 14 Committee of the University under 14.12 Committees of the Academic Staff Assembly.

Discussion.

Motion to amend the document was made by Jeff Shokler (460): 3.a. to read: …after less than 5 years (mentors). Mentoring committee may make exceptions to the years of experience in both cases of mentees and mentors as deemed necessary. [it would be helpful to include the motion language as amended and passed, so people don’t have to go get another document to understand what was passed.]

Motion was seconded and the motion as amended was passed.

Vote on acceptance of ASPP revisions as amended was passed by a show of hands.

ASEC Members - for vote
ASEC candidates Barbara Lewis and Wayne Feltz were introduced to the Assembly by Barb Gerloff. Barb will fill the remaining term of Eric Bauman and Wayne will fill the remaining term of Carla Love.
