Benefits Enrollment and Effective Dates
You have 30 days to enroll in most benefits.

Most benefits are effective the first of the month on or following your benefits eligibility date and will remain in place for the entire calendar year.

Your institution benefits contact may provide you with an enrollment deadline worksheet. The worksheet specifies your effective date for each plan and your 30-day enrollment period in which your elections must be made.

Over the course of your employment, you may have a qualifying life event such as marriage, birth, adoption, loss of other coverage, or employment change. These qualifying life events may change your benefit plan needs. You generally have a 30-day period from your qualifying life event date to make changes to your benefits.

How to Enroll

Academic year (nine-month) employees are not eligible for Vacation or Personal Holiday.

PERSONAL HOLIDAYS
36 hours of personal holiday are granted per fiscal year. Unused hours expire at the end of the fiscal year.

LEGAL HOLIDAYS

SICK LEAVE
176 hours of sick leave are granted for use during the first 18 months of employment. After the first 18 months, up to 96 hours of sick leave is earned per fiscal year. Life Insurance
You may enroll in multiple life insurance plans, if eligible. Coverage is guaranteed without proof of good health when first eligible. If you do not enroll when first eligible, you may be able to enroll with proof of good health (evidence of insurability). Whether you are single, in your 20s, married with kids, or close to retirement, life insurance may help protect your family’s future finances in the event of death (for example, to pay off debt or funeral expenses).

STATE GROUP LIFE INSURANCE
Offers term life insurance, to cover you up to five times your annual salary, your spouse up to $20,000 and your eligible children up to $10,000 each. To be eligible for this life insurance, you must be eligible for the Wisconsin Retirement System (WRS) and under age 70 when first enrolled. This life insurance continues into retirement at group policy rates. Eligible retirees over age 65 can continue coverage at a reduced coverage level for life, without cost. The UW System pays a portion of the premium.

INDIVIDUAL & FAMILY LIFE INSURANCE
Offers term life insurance to initially cover you up to $20,000, your spouse/domestic partner up to $10,000 and your children up to $5,000 each. Each fall, you may increase your coverage levels by amounts ranging from $5,000–$20,000 without proof of good health. Coverage maximums are $300,000 for yourself, $150,000 for your spouse/domestic partner, and $25,000 each for your children.

UW EMPLOYEES, INC. LIFE INSURANCE
Offers decreasing term life insurance for employees only. Coverage is based on age and ranges from $7,000–$33,000.

UNIVERSITY INSURANCE ASSOCIATION LIFE INSURANCE
Offers decreasing term life insurance to eligible Faculty, Academic Staff, and Limited Appointees. This plan is offered to employees only. If you meet the monthly salary requirement, you will be automatically enrolled and the annual premium of $24 will be deducted from your December earnings. Coverage is based on age and ranges from $3,400–$101,000. UIA offers continuation of coverage at retirement at the group policy rates.

Visit the UW System Employee Benefits Life Insurance web page for more information.
Accidental Death & Dismemberment and Accident Insurance
Supplemental insurance plans are available to help protect your family’s future finances in the event of accidental death or injury from an accident.

ACCIDENTAL DEATH & DISMEMBERMENT INSURANCE
Offers accidental death and dismemberment (AD&D) insurance for you, your spouse/domestic partner, and eligible children. Includes Travel Assist coverage, Identity Theft Protection, Critical Burn and Rehabilitation benefits. Continuation coverage available at retirement.

ACCIDENT INSURANCE
Provides cash payment to help cover out-of-pocket expenses in the event of an injury due to an accident. Includes an AD&D component. You may enroll in both plans (AD&D Insurance and Accident Insurance).

Visit the UW System Employee Benefits AD&D and Accident Insurance web page for more information.

Income Continuation Insurance
If you are eligible for the WRS and under age 70, you are eligible for Income Continuation Insurance (ICI). ICI covers 75% of your monthly salary (up to a maximum annual salary of $120,000) if you become ill or disabled and are unable to work. Claims may be payable after your chosen elimination period of 30, 90, 125, or 180 days or until you exhaust your sick leave (up to 1040 hours), whichever is longer. ICI has two levels of coverage based on earnings:

STANDARD ICI
Covers the first $64,000 of eligible earnings.

SUPPLEMENTAL ICI
Covers eligible earnings between $64,001 and $120,000. You will only be given an opportunity to enroll in supplemental ICI if your annual salary is greater than $64,000.

Enroll in coverage within 30 days of eligibility or within 60 days of becoming eligible for the employer contribution towards your premium. If coverage is elected within 30 days of eligibility, you will pay the full premium until you have 12 months of state WRS service. If coverage is elected within 60 days after 12 months of state WRS service, you are eligible for the employer contribution to the ICI immediately.

Visit the UW System Employee Benefits Disability and Income Continuation web page for more information.
Flexible Spending Accounts
If you are eligible for State Group Health Insurance, you are eligible for the Flexible Spending Accounts (FSAs). FSAs offer you the opportunity to pay certain health care, dependent day care, and work-related parking and transit expenses with tax-free dollars. You decide how much to contribute from each paycheck before Federal, State, and FICA taxes are calculated.

**HEALTH CARE FSA**
Used to help pay for eligible medical, dental, vision, and prescription expenses that are not covered by insurance. Expenses can be incurred by you, your spouse, child, or other qualifying tax dependent.

</tr>
</tbody>
</table>

**LIMITED PURPOSE FSA**
Only available if you are enrolled in a High Deductible Health Plan (HDHP). Used to help pay for eligible dental, vision, and post-deductible medical/prescription expenses that are not covered by insurance. Expenses can be incurred by you, your spouse, child, or other qualifying tax dependent.

**DEPENDENT DAY CARE FSA**
Used to help pay for eligible dependent care expenses such as after-school care, babysitting, adult or child day care, and preschool. Eligible dependents include a spouse, child, or other qualifying tax dependent.

**PARKING & TRANSIT ACCOUNTS**
Allows you to set aside pre-tax income for work-related parking expenses (for example, parking ramps, park-and-rides) and transit expenses (for example, bus passes). The monthly contribution limit is $270 for the parking account and $270 for the transit account.

January 1–December 31 is the **plan year** for all accounts. Remaining funds in your Health Care or Limited Purpose FSA on December 31 will automatically **carry over** to the new plan year (up to the carryover limit). Anything greater than the carryover limit will be forfeited. All remaining funds in your Parking and Transit Accounts will carry over from year to year. There is **no** carryover for the Dependent Day Care FSA. You must re-enroll in each of these accounts each year during the Annual Benefits Enrollment (ABE) period to participate the following plan year.

Visit the UW System Employee Benefits [Spending and Savings Accounts web page](#) for more information.
Health Savings Account
A Health Savings Account (HSA) is a savings account that you are required to enroll in if you enroll in the HDHP or Access HDHP. The HSA may be used to help pay for qualified medical, dental, vision, and prescription out-of-pocket expenses. The UW System provides an employer contribution on a per paycheck basis, based on coverage level (for example, single or family). You may also contribute to your HSA on a pre-tax basis. You may change your contribution amount at any time. Once contributions are made, they belong to you.

HSA FEATURES
The money will carry over from year to year and earns interest. Eligible expenses can be incurred by you, your spouse, and your qualifying children. You may experience tax consequences if you are less than age 65 and you use your HSA for non-eligible expenses. At age 65, you may use the account for other expenses (amount withdrawn will be taxable income but not subject to penalties). Additional HSA eligibility requirements are as follows:

- Must be covered only by an HSA-qualified high deductible health plan
- Must not be covered by another health plan that is not an HSA-qualified high deductible health plan, such as Medicare or TRICARE
- Cannot have a Health Care FSA (including through a spouse)
- Cannot be claimed as a dependent on someone else’s tax return (other than your spouse)

It is your responsibility to ensure you meet these requirements. Tax consequences may apply if eligibility is not maintained while contributions are made to your HSA. If you have questions related to the tax consequences, consult your tax advisor.

Retirement Plans – Wisconsin Retirement System
The Wisconsin Retirement System (WRS) provides retirement (pension) benefits to UW System employees. The WRS is administered by Employee Trust Funds (ETF) and investments are managed by the State of Wisconsin Investment Board.

ELIGIBILITY
You are eligible for the WRS based on when you started working for the UW System. Eligibility requires a minimum number of hours to be worked, a minimum employment duration, and depends on your employment classification. Your institution Human Resources office will inform you of your eligibility. Enrollment is mandatory and automatic once you meet or are expected to meet the requirements.

CONTRIBUTIONS
You and the UW System contribute to the WRS. Contributions are on a pre-tax basis for federal and state income tax purposes. Contributions are set annually and subject to IRS limits.

VESTING
If you were first enrolled in the WRS on or after July 1, 2011, you are fully vested after completing five years of WRS-creditable service. If you had WRS service prior to July 1, 2011, you are immediately vested. Once vested, you are eligible to receive a retirement benefit based on your creditable service.

INVESTMENT FUNDS
Contributions are automatically invested in the Core Fund, a balanced fund that is fully diversified with a mixture of holdings. You may elect to have 50% of your contributions invested in the Variable Fund, a fund invested solely in stocks.

RETIREMENT
Your monthly annuity will be based on a calculation using your years of creditable service and your three highest years of earnings or the cash value of your account, whichever is greater.

WRS DEATH OR DISABILITY BENEFITS
The WRS also has death and disability benefits.

Visit the UW System Employee Benefits Retirement Plans page for more information on eligibility, contribution rates, vesting, retirement, and benefits.
Retirement Plans – Supplemental Retirement Savings Programs

All Faculty, Academic Staff, and Limited Appointees are eligible for two supplemental retirement savings programs: UW 403(b) Supplemental Retirement Savings Program (SRP) and Wisconsin Deferred Compensation (WDC) 457 Program. Enrollment, changes, and cancellation in either of the programs may be done at any time. Contributions may be made on a pre-tax basis, an after-tax basis (Roth), or a combination of both. These programs are voluntary and there is no minimum monthly contribution amount. You make the entire contribution. There is no employer contribution.

UW 403(B) SUPPLEMENTAL RETIREMENT SAVINGS PROGRAM (SRP)

This program is regulated by Section 403(b) of the Internal Revenue Code and administered by the UW System, through two record keepers (TIAA and Fidelity). Program investment options include an array of mutual funds and fixed and variable annuities. A self-directed brokerage option is available.

WISCONSIN DEFERRED COMPENSATION (WDC) 457 PROGRAM

This program is regulated by Section 457 of the Internal Revenue Code and administered by ETF, through a third-party administrator, Empower Retirement. WDC offers a mix of investment options: Target Date funds; actively managed or index mutual funds, collective investment trust, or commingled trust options; a stable value option; and a FDIC-insured bank option. The WDC Program also has a managed-account and a self-directed brokerage account option.

Sick Leave Credit Conversion Program
You are eligible to convert your unused sick leave hours into a dollar amount to pay your State Group Health Insurance premiums upon retirement, layoff, or termination if you have 20 or more years of Wisconsin Retirement System (WRS) service. This amount is calculated by multiplying your unused sick leave hours by your highest basic pay rate, which is then converted to tax-free credits. If you have 15 or more years of continuous service when you convert your sick leave credits, you are also eligible for supplemental sick leave credits. In the event of your death, the survivors covered on your health insurance plan will be able to use your sick leave credits to help pay for their continuation of State Group Health Insurance.

Visit the UW System Employee Benefits Sick Leave Credit Conversion web page for more information.
